

Steamboat Wharf Marina

Standard Operating Procedures

Fish Waste Management

Department:	Marina Operations	
Procedure:	Fish Waste Management	
Date Issued:	November	2015
Date Revised:	November	2015

Purpose of Procedure: To properly handle fish waste at the marina and to avoid any potential environmental impact.

Steps of (SOP) Standard Operating Procedure:

- Customers are requested to clean fish off-shore and discard fish waste at sea
- No fish waste will be discarded in marina waters. Any waste generated at the marina will be bagged and disposed of in the trash dumpster.

Evaluation of Procedure: The Marina operations manager will inform marina customers via signage, general notice to customers at the beginning of the marina slip season, and clauses in customer contracts. This SOP shall be evaluated annually and updated as necessary.
